RECEIVED  
★ FEB 23 1932 ★  
OHIO

Established in 1858 by John Day.

At the Nursery or by Express, Freight or Parcel Post, Purchaser Paying Charges.

Select Your Nurseryman as You Do Your Doctor or Your Lawyer—for Honesty, Integrity and Ability.

**SEASON OF 1932**

These prices are for good, strong, substantial trees, shrubs, or plants with a good root system and true to name, it is not the light grade, poorly rooted unreliable stock so much used in mail order and department store trade which is expensive at any price.

Varieties not listed, write for quotations.

In order to be fair to the small purchaser as well as the large we give a single, ten and 100 rate. Five trees or plants of the same variety and size will be furnished at the 10 rate. 25 will be furnished at the 100 rate. Less than 5 plants of one variety and size must be figured at the single rate and 25 of the same variety and size, or 50 of the same class as peach, apple, etc. will be furnished at the 100 rate. 250 at thousand rates if quoted.

**PACKING CHARGE**—Owing to the low single rate in many cases, and to the high cost of labor and materials for packing, all orders for less than \$1 must contain 25c additional for packing same.

**TERMS**—Cash or satisfactory reference. If you will give us a good sound reference we will ship your order and let you pay for it on receipt. We cannot send orders promiscuously to unknown parties without cash or reference.

**PARCEL POST**—All small parcels can be sent by mail cheaper than by express. Postage charges must be paid by the purchaser.

**SHIPPING DIRECTIONS**—Always give full name and address and state how the shipment is to be sent. All small packages should be sent by express or mail and berry plants should never be sent by freight.

**LARGE ORDERS**—Special quotations will always be made on large orders. Write us stating the quantity desired and the probable varieties. We will duplicate any offer made by anyone, size and quality considered.

**COMPLAINTS**—All complaints for shortages or damages to stock must be made to us immediately on receipt of goods and no complaint will be considered unless made within 10 days of receipt of stock.

**FREE**—For every order of \$10 or for each additional multiple of \$10 we will give free one extra tree or shrub or both. State which you want. The selection must be left to us, but only good stock will be used.

**VISITORS**—Are always welcome and are invited to our nurseries.
